Experience

G's Renovations – Norcross, GA   **Jun 2015 – Current**
Assistant Construction Project Manager | Jack of All Trades Handyman
- Listening to customer needs, answering questions, and making suggestions and recommendations.
- Preparing proposals and SOW's.
- Punch lists, coordination, communication with internal build members, and project completion follow-up.
- Electrical, framing, drywall, trim, paint, tile, flooring, and plumbing.

Siemens – Peachtree Corners, GA   **Apr 2022 – Dec 2022**
Assembly Technician
- Assemble parts or units, and position, align, and fasten units to assemblies, subassemblies, or frames, using hand tools and power tools.
- Read and interpret schematic drawings, diagrams, blueprints, specifications, work orders, bills of materials, or reports to determine material requirements or assembly instructions.

eWaste ePlanet – Norcross, GA   **Jan 2020 – Mar 2022**
Computer Repair Technician
- Introduced and successfully executed new ergonomic workflow paradigms that allowed for faster production by about 70% without sacrificing quality and accuracy.
- PC hardware diagnosis, recycling, troubleshooting, installing, and upgrading hardware and software.

Printed Circuits Corporation – Norcross, GA   **Jan 2018 – Dec 2019**
Electronics Repair | Solder Technician
- Soldered components with a soldering iron, heat gun, tin, flux, solder (lead or lead-free with or without tin core), de-soldering braid/wick, and various other tools to solder USB ports, headphone jacks, LED's, microchips, capacitors, diodes, resistors, etc.

Cynergy Wireless – Norcross, GA   **Mar 2013 – May 2015**
Smartphone Repair | Solder Technician
- Trained new team members 5x faster than the other team leaders on how use the software and solder SMD's.
